Job Summary

We are looking for enthusiastic and result-oriented Sales Executives to join our insurance sales team. The selected candidate will be responsible for promoting and selling Amex insurance products, acquiring new customers, and achieving monthly sales targets. This role offers an excellent opportunity for freshers and experienced professionals to build a

rewarding career in the insurance industry with unlimited earning potential through performance-based incentives.

Key Responsibilities

1. Sales & Revenue Generation

- Promote and sell Amex insurance policies to prospective clients through outbound calls, meetings, and presentations
- Identify potential customers and generate quality leads through various channels
- Present insurance products clearly, highlighting features, benefits, and value propositions
- Achieve and exceed assigned monthly, quarterly, and annual sales targets

2. Customer Engagement & Consultation

- Understand customer needs through active listening and consultative selling approach
- Recommend the most suitable insurance plans based on individual customer requirements
- Address customer queries, concerns, and objections effectively
- Provide accurate and transparent information about policy terms, coverage, and pricing

3. Relationship Building & Retention

- Build strong, long-lasting relationships with clients to drive repeat business
- Follow up regularly with existing customers for renewals and cross-selling opportunities
- Maintain high levels of customer satisfaction through excellent after-sales support
- Generate referrals from satisfied customers to expand the client base

4. Documentation & Compliance

- Ensure accurate and timely completion of all policy-related documentation
- Verify customer KYC documents and ensure compliance with regulatory requirements
- Maintain detailed records of all sales interactions and transactions

5. Reporting & Analysis

- Prepare and submit daily, weekly, and monthly sales reports to the reporting manager
- Track individual performance metrics and identify areas for improvement
- Update CRM system with lead status, customer details, and follow-up schedules
- Participate in team meetings and contribute ideas for sales strategy improvement
