Objective

Motivated and detail-oriented Computer Science student with strong foundational knowledge in Java programming, data structures and algorithms. Skilled in front-end web development using HTML, CSS and JavaScript. Seeking a challenging role as a Software Developer to apply my programming skills and problem-solving abilities in a dynamic and growth-oriented organization.

Skills

- **Frontend**: HTML, CSS, JavaScript
- **Databases**: MySQL
- **Programming and DSA**: Java (Data Structures and Algorithms, OOP).
- **Tools and Platforms**: Visual Studio Code
- **Soft Skills**: Collaborative, Adaptable, Quick Learner, Problem Solver, Analytical Thinker

Education

Bachelor of Technology 2022 – Present
G L Bajaj Institute of Technology and Management, Greater Noida
CGPA: 8.46

Higher Secondary Education 2020 – 2021
S S Arya Inter College Palla G B Nagar
Percentage: 82.4

Secondary Education 2018 – 2019
S B S I C Surajpur Malakpur G B Nagar
Percentage:87.3

Projects

Secure Password Keeper
Tech Stack: HTML,CSS, JavaScript.

- Built a client-side Password Manager using HTML, CSS, and JavaScript with functionality to add, view, and delete stored credentials through a responsive, interactive UI.
- Implemented form validation, password visibility toggle, and copy-to-clipboard features to enhance user experience and functionality.
- Implemented AES encryption using CryptoJS to securely store user passwords in localStorage, ensuring client-side data confidentiality.

Achievements

- Solved over 100 Data Structures and Algorithms problems on LeetCode, focusing on optimization and scalability.
- Completed CCNA certification by Cisco, demonstrating proficiency in networking fundamentals.

Co-Curricular Activities

- Active member of the ShriNik Club, Computer Science Department, G L Bajaj Institute of Technology and Management, organizing technical workshops and coding competitions.
