MUFFADAL ALI

Aspiring Cyber Security Professional

¦91 9302077233 @ mufaxxal@gmail.com 9 Greater Noida, India

SUMMARY

I am a motivated and detail-oriented B.Tech student specializing in Computer Science and Engineering, particularly focused on Cyber Security. I possess a solid foundation in computer networks, ethical hacking, and programming. My experience with assessment tools like Wireshark and Nmap and proficiency in languages such as C, Java, and Python drive my passion for securing digital infrastructure

EXPERIENCE

Advanced Python Intern

CodSoft

07/2024 - 08/2025 Virtual

A tech company specializing in software development

- Gained practical experience in Python through hands-on projects
- Worked with advanced Python concepts during internship

Cyber Security Intern

Prodigy Infotech

07/2025 - 08/2025 Virtual

Company focused on providing cybersecurity solutions

- Assisted in network security assessments and penetration testing
- Learned to use various security tools in a practical environment

EDUCATION

Bachelor of Technology (B.Tech)

Noida Institute of Engineering and Technology

08/2023 - 08/2027 Greater Noida

PROJECTS

Network Vulnerability Assessment Project

01/2026 - 02/2026

A project focused on assessing network vulnerabilities

- Performed vulnerability assessments to identify security weaknesses
- Developed a user-friendly quiz application

Quiz Application

01/2025 - 02/2025

An application designed for users to take quizzes

- Created a full-stack application for quizzes with user authentication
- Implemented interactive features using JavaScript

Electricity Bill Management System

06/2025 - 07/2025

A system for managing and calculating electricity bills

- Designed and developed an application to manage electricity bill payments
- Utilized MySQL for database management

STRENGTHS

Ø **Technical Strengths**
Strong foundations in networking, ethical hacking, and programming

KEY ACHIEVEMENTS

9 **Cyber Security Projects**
Successfully completed multiple cybersecurity projects during my internships, enhancing my practical knowledge and skills

SKILLS

Gmail **Cybersecurity** **Wiresharfi** **Nmap** **Java** **Python** **Linux** **Data Structures** **OWASP** **HTML** **CSS** **JavaScript** **Burp Suite** **GitHub** **Kali**

INTERESTS

Cyber Security Enthusiasm
Passionate about securing digital infrastructures and continuously improving skills through practical labs and projects

PROJECTS

Railway Management System

11/2024 - 12/2024

A project aimed at improving railway management processes

- Developed a management system for railway operations
- Incorporated database functionalities for efficient data handling
