SUMMARY

Data Analyst aspiring with strong foundation in SQL, Excel, Power BI, and Python. Skilled in extracting insights from datasets to support business decisions. Hands-on experience through SQL projects, dashboards, and real-world data analysis. Seeking an entry-level Data Analyst role to apply analytical and problem-solving skills.

SKILLS

Data Analysis
SQL , Excel (Pivot Tables, VLOOKUP, Charts), Power BI, Tableau,Data Cleaning

Visualization
Power BI Dashboards, Excel Charts, Tableau

Web Development
HTML, CSS, JavaScript (Intermediate), React (Basic)

Programming Languages
Python (Pandas, NumPy – Basic) , C++ (Basic)

Databases
MySQL , SQL Server

PROJECTS

Zomato Data Analysis Project
- Analyzed restaurant dataset using SQL
- Identified top-rated restaurants and most ordered cuisines
- Built Power BI dashboard for business insights

Real-Time Hospital Data Analysis Dashboard
- Analyzed hospital bed occupancy data using SQL
- Identified peak demand time periods
- Created dashboard to track bed availability
- Visualized patient distribution trends

WORK EXPERIENCE

Oil and Natural Gas Corporation (ONGC), Web Development Trainee 01/2025 – 02/2025
- Trained in Networking and Infocom with exposure to enterprise IT systems
- Built web-based dashboard to visualize operational data
- Used HTML and database integration for data-driven interface

HCL Infotech Ltd., SQL Intern 07/2024 – 08/2024
- Developed SQL queries for data extraction and reporting
- Optimized queries using joins and indexing
- Worked with Microsoft SQL Server
- Performed data analysis for business insights

2024 Thotnr Pvt. Ltd., Software Development Intern 07/2024 – 08/2024
- Developed Python scripts for data processing and automation
- Worked with structured datasets for analysis
- Implemented modular code for data handling tasks

EDUCATION

Uttaranchal University, Bachelor of Technology - B. Tech (CSE), 9.17 2022 – 2026

Mother Land Public School, Intermediate - 90.8% 2021 – 2022

Mother Land Public School, SSSC-93.2% 2019 – 2020

CERTIFICATION

Data Analyst Certification — One Roadmap (Skill Assessment Passed)
Programming in Python — Udemy
Artificial Intelligence — ICT Academy (Infosys Foundation)
