Objective

Motivated and detail-oriented Computer Science student pursuing MCA with strong skills in Python, C, Web Development, and Database Systems. Passionate about building efficient, user-friendly applications and eager to contribute technical expertise in challenging real- world projects.

Education

Master of Computer Applications (MCA)
Noida Institute of Engineering and Technology, Greater Noida (2024 – 2026) 1st year: 78% |
CGPA: 8.0
Bachelor of Computer Applications (BCA)
Babasaheb Bhimrao Ambedkar Bihar University, Muzaffarpur (2021 – 2024) 77%

Skills

- **Programming Languages:** Python, C
- **Web Technologies:** HTML, CSS
- **Databases:** SQL, DBMS
- **Tools:** MS Excel
- **Core Concepts:** Data Structures & Algorithms (DSA), Problem Solving

Projects

Online Loan Management System

- Developed a full-stack Online Loan Management System using HTML, CSS, Bootstrap, PHP, JavaScript, and MySQL with features including user authentication, loan application, EMI calculation, document upload, and real-time loan status tracking.
- Implemented secure login and registration with session management and role-based access control, including an admin panel for document verification and loan approval or rejection.

Portfolio website

- Created a responsive personal portfolio website to showcase projects, technical skills, and academic achievements using HTML and CSS.

Certifications

- AWS Academy – Cloud Foundations
- Python Foundation Certification – Infosys
- Linux for Beginners – Infosys
- Data Structures and Algorithms using Python (Part 1) – Infosys
- Cybersecurity Certification – Cisco Networking Academy

Strengths

- Quick learner with strong problem-solving ability.
- Ability to adapt and work in team environments.
  Passion for coding and continuous learn
