SUMMARY

Passionate MCA student with strong knowledge of Python, Java, and SQL, and a keen interest in building efficient and meaningful solutions. Skilled in developing database-driven applications and applying logical problemsolving techniques. Actively improving through Data Structures and Algorithms practice and eager to learn new technologies while contributing to real-world projects in the IT field.

EDUCATION

Master of Computer Applications (MCA) 2025 – Present (Expected 2027)

Noida Institute of Engineering and Technology (NIET), Greater Noida

Bachelor of Science in Information Technology (B.Sc IT) 2021 – 2024

Shri Ramswaroop Memorial University, Lucknow

H S Memorial Public School Class XII (CBSE) 2020

Lucknow, Uttar Pradesh Board 2018

H S Memorial Public School Class X (CBSE)

Lucknow, Uttar Pradesh Board

TECHNICAL SKILLS

Programming	Python, Java, C
Database	SQL (MySQL), MongoDB
Core Concepts	Data Structures, DBMS, Operating Systems
Tools	Git, VS Code, Linux Shell

PROJECTS

Student Management System (Python + MySQL)

- Designed and developed a database-driven system to manage student records
- Implemented CRUD operations for efficient data handling
- Optimized SQL queries to improve performance

Data Analysis Project (Python)

- Performed data cleaning and analysis using Python (Pandas, NumPy)
- Generated insights using filtering and aggregation

PROFESSIONAL CERTIFICATIONS

Oracle Certified AI Foundations Associate – Oracle (2025)
Introduction to Cybersecurity – Cisco
Design Thinking Practitioner – IBM
Next Gen Technologies (AI & Cloud) – Infosys Springboard

ACHIEVEMENTS & TRAINING

Completed backend development and advanced SQL training
Actively solving coding problems to improve problem-solving skills

LANGUAGES

English (Intermediate) — Hindi (Proficient)

DECLARATION

I hereby declare that the above information is true to the best of my knowledge.
