Java Developer | Software Developer Fresher

PROFILE SUMMARY

Motivated **Java Developer Fresher** with strong foundation in **Core Java, Object-Oriented Programming, Data Structures & Algorithms, SQL and MongoDB**.
Experienced in building **console-based applications**, implementing **file handling, multithreading, and database concepts**.
Seeking an **entry-level Software Developer / Java Developer role** to develop scalable and efficient applications.

TECHNICAL SKILLS

Languages: Java, C, SQL
Core Java: OOP, Exception Handling, Multithreading, Collections Framework
Data Structures & Algorithms: Arrays, Linked List, Stack, Queue, Tree, Searching & Sorting
Database: MySQL, MongoDB
Tools: Git, GitHub, VS Code, Eclipse
Concepts: File Handling, Client–Server Architecture, Basic Networking, TCP/IP Fundamentals

---

PROJECTS

Parking Management System | Java

- Developed a **Java-based console application** to automate vehicle entry, exit and parking slot allocation.
- Applied **Object-Oriented Programming principles** for modular and scalable design.
- Implemented **file handling and data persistence** for efficient record management.
- Reduced manual work by digitizing parking operations.

Library Management System | C

- Built a **file-based record management system** to manage book records, issue and return operations.
- Used **structures, functions and file handling** for efficient data storage and retrieval.

Undo–Redo System | Data Structures (Java)

- Implemented **Undo/Redo functionality using Stack Data Structure**.
- Demonstrated practical implementation of **DSA concepts** for action reversal.

EDUCATION

Master of Computer Applications (MCA)
Noida Institute of Engineering and Technology (2025 – 2027)

Bachelor of Computer Applications (BCA)
Patliputra University (2022 – 2025)

Class XII (BSEB)
R.B.D Inter College (2021 – 2022)

RELEVANT COURSEWORK

- Object Oriented Programming
- Data Structures & Algorithms
- Database Management System
- Computer Networks
- Operating Systems

CERTIFICATIONS

- Java Programming – *From Simpli Learn*
- Data Structures & Algorithms – *Offline Course / Self Learning*
- C Programming – *Offline Course / Self Learning*

SOFT SKILLS

Problem Solving • Analytical Thinking • Communication • Team Collaboration • Time Management
