Education

Noida Institute of Engineering & Technology, Greater Noida, Uttar Pradesh
Master of Computer Applications (MCA)

L.N. Mishra College of Business Management, Muzaffarpur, Bihar
Bachelor of Computer Applications (BCA)
Percentage: 66.7%

Projects

Employee Management System React.js, LocalStorage

- Engineered a role-based employee management application with distinct admin and user dashboards.
- Implemented client-side authentication and session persistence using LocalStorage.
- Designed task lifecycle features including assignment, status tracking, and updates.
- Built a modular and responsive UI using reusable React components and efficient state handling.
- Ensured smooth data operations with optimized LocalStorage integration.

AI-Based Resume Screening System MongoDB, Express.js, React, Node.js, NLP

- Developed an intelligent resume screening platform to streamline candidate shortlisting.
- Applied NLP techniques to extract key skills and evaluate relevance against job descriptions.
- Architected RESTful APIs for managing candidate data, job postings, and evaluation workflows.
- Designed a ranking mechanism to score candidates based on skill match and experience.
- Delivered an interactive dashboard enabling recruiters to filter, analyze, and shortlist candidates efficiently.

Technical Skills

- **Languages:** Java, JavaScript, SQL
- **Frontend:** HTML5, CSS3, React.js, Tailwind CSS
- **Backend:** Node.js, Express.js
- **Databases:** MongoDB, MySQL
- **Tools:** Git, GitHub, VS Code, Postman
- **Concepts:** Object-Oriented Programming (OOP), Data Structures, REST APIs

Certifications

AWS Academy Graduate – Cloud Foundations *AWS Academy*

- Gained foundational knowledge of cloud computing concepts and AWS core services.
- Hands-on experience with AWS services including EC2, S3, IAM, and VPC.

Introduction to Cybersecurity *Cisco Networking Academy*

- Learned fundamentals of cyber threats, network security, and safe online practices.
- Covered topics such as malware, phishing, and basic security principles.
