She/Her Indian nandni_priya20 Nandni Priya Portfolio

PROFILE

Motivated MCA student with a strong foundation in **C and Java programming** and a solid understanding of **Object-Oriented Programming (OOP)** concepts. Familiar with **SQL, HTML, and CSS**, and capable of developing basic applications and solving programming problems efficiently. Skilled in using tools like **Microsoft Excel, PowerPoint, and Power BI** for data handling and presentations. A quick learner with strong analytical and problem-solving skills, eager to apply technical knowledge in real-world software development projects and grow as a software developer.

EDUCATION

Masters of Computer Applications (MCA) 09/2025 – Present
N.I.E.T., Greater Noida, Uttar Pradesh Greater Noida, Uttar Pradesh

Bachelor of Computer Applications (BCA) 08/2022 – 07/2025
Veer Kunwar Singh University, Ara, Bihar Dehri, Bihar

PROJECTS

Student Record Management System
- Developed a console-based application using **C programming** to manage student information.
- Implemented features like **adding, searching, updating, and deleting student records**.
- Used **file handling and structured programming concepts** to store and manage data efficiently.

ATM Cash Withdrawal Simulator
- Developed an ATM Cash Withdrawal Simulator using Java implementing core Object-Oriented Programming (OOP) concepts such as classes, objects, and encapsulation.
- Designed functionalities including PIN authentication, balance inquiry, and cash withdrawal operations through a menu-driven interface.
- Improved understanding of Java programming, logical flow control, and real-world banking system simulation.

Personal Portfolio Web Page
- Designed a simple **portfolio website using HTML and CSS**.
- Created structured web pages to display personal information, skills, and projects.
- Applied **basic web design and styling techniques** for a clean user interface.

CERTIFICATES

- Linux for Beginners
- Introduction to Python
- C Programming
- Introduction to Cybersecurity
- Design Thinking
- Next Gen Technologies

TECHNICAL SKILLS

Programming Language:-
C, JAVA

Web Technologies:-
HTML, CSS

Database:-
SQL

Concepts:-
Object-Oriented Programming (OOP), Data Structure Basics

Tools:-
MS Excel, MS Word, MS PowerPoint, Power BI

INTERPERSONAL SKILLS

Communication Skills

Teamwork

Problem Solving

Self Learning

Time Management

Adaptability

INTERESTS

Painting | Travelling | Singning

LANGUAGES

English Hindi

ORGANIZATIONAL ACTIVITIES

- Participated in **technical workshops and coding practice sessions**.
- Contributed to **group projects and academic presentations** during coursework.

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
