Education

Master of Computer Applications (MCA) 2025–2027
Noida Institute of Engineering and Technology, Greater Noida

Bachelor of Computer Applications (BCA) 2022–2025
Chhatrapati Shahu Ji Maharaj University, Kanpur

Class XII, CBSE 2022
Maharishi Vidya Mandir Sr. Sec. School, Fatehpur
Percentage: 78.60%

Class X, CBSE 2020
Maharishi Vidya Mandir Sr. Sec. School, Fatehpur
Percentage: 78.40%

Projects

Movie Recommendation System — ML & Streamlit Nov-2025

- Tech: Python, Scikit-Learn, Pandas, NumPy, Streamlit, Git, Pickle,
- Built a personalized movie recommendation system using cosine similarity content-based filtering
- Performed data cleaning, feature engineering vectorization on 5,000+ movies
- Deployed scalable web app and managed large files via Git.

House Price Prediction — Machine Learning Sep-2025

- This project predicts residential house prices using supervised machine learning on tabular property data. It delivers an end-to-end workflow from data cleaning and feature engineering to model training, evaluation, and inference, enabling quick estimation of prices from attributes like area, rooms, location, and condition. .

Technical Skills

Programming Language: Java, Python, SQL, HTML/CSS
Libraries: Pandas, NumPy, Scikit-learn, Matplotlib
Tools: Git, Jupyter Notebook, MySQL
Other: Machine Learning basics, Data Cleaning, Feature Engineering

Certifications

- Python Programming Certificate - Infosys Springboard 2025
- Linux Certificate - Infosys Springboard 2025

Achievements & Activities

- Represented UPCA District Team - Achieved district-level representation in professional cricket, showcasing perseverance, competitive spirit, and effective collaboration within a team environment.
