Career Objective

To secure a challenging position as a B.Tech. student, where I can utilize my technical skills, contribute to organizational growth and continuously learn and grow in a dynamic work environment.

EDUCATION

- **IMS Engineering College** — Ghaziabad, UP
  B.Tech. in Computer Science; GPA: 7.52/10 — *2023-2026*
- **BOARD OF TECHNICAL EDUCATION UP** — Bareilly, UP
  Diploma For Electrical Engineering *:77.03%* — *2020-2023*
- **JAINARAYAN SARASWATI VIDYA MANDIR INTER COLLEGE** — Bareilly, UP
  Class 10th: 79.33% — *2020*

SKILLS

- **Technical: Languages**: C, Python(basic), Java (basic), C++
- **Web Technologies:** HTML, CSS, JavaScript
- **Tools**: Visual Studio Code, GitHub, Git

PROJECTS

E-BOOK STORE:

- Developed and implemented an E-book Management System, improving user access to digital books and streamlining the book purchasing process.
- Designed and coded a web-based e-book platform to resolve inefficiencies in traditional book management and enhance customer engagement with online book catalogs.
- Tools Visual Studio Code/Web Technologies: HTML, CSS, JavaScript/frameworks use React.JS

Bibliophile's Bliss

- Developed a fully functional e-book store application, enabling users to browse, purchase, and read e-books online.
- Utilized **React.js** and **Redux** for building a responsive and interactive user interface.

Problems solved

- Inefficient content management: Manual data entry and organization of large numbers of eBooks were time-consuming and error-prone. The EMS provided a centralized repository and metadata management features to streamline content organization and reduce errors.

CERTIFICATIONS

- ***HTML CSS and JavaScript for Front-End development Certification*** *by Softpro India Computer Technologies(p) Ltd.*
- ***Google Cyber Security Course*** *by Coursera*
- **Data Science with Python training** CETPA.
