Education

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech. in CSE	I.M.S. Engineering College, Ghaziabad, Uttar Pradesh	8.5	2022–2026
Senior Secondary	ISC Board	92%	2022
Secondary	ICSE Board	98.4%	2020

Projects

Student Quora | *Java,PL/SQL,Spring Boot,Hibernate*

- Developed a student community website for the frontend to create an interactive student community platform.
- Used API to fetch and display user repository data, enabling users to showcase their projects and contributions.
- Implemented visualizations to display **collaborative data**, helping users explore connections and team dynamics within the community.
- Designed and optimized MySQL queries and implemented **PL/SQL stored procedures** to manage user activity and community interactions.

Online Exam Portal | *Java,PL/SQL,Spring Boot,Hibernate,Maven,MySQL Workbench*

- Developed a full-stack exam management system with role-based access for students and administrators.
- Integrated **PL/SQL functions and triggers** for automated score calculation, exam submission logs, and student performance tracking.
- Performed query optimization and database indexing to improve exam and result retrieval speed by 30%.
- Built **RESTful APIs** in Spring Boot for exam creation, authentication, and result tracking.

Work Experience

Software Development Intern June 2025 – September 2025
OSN InfoTech *On-site* ***(Certificate)***

- Gained hands-on experience in backend development using **Java** and **Spring Boot**.
- Worked on project-based tasks, code reviews, and team meetings to understand industry best practices.
- Enhanced practical knowledge in **Java backend development** through mentor guidance and real-world assignments.

Technical Skills

Languages:Java,SQL,PL/SQL
Libraries:Numpy,Pandas,Matplotlib,Seaborn,Scikit-learn
Developer Tools:Postman,VS Code, IntelliJ IDEA
Database:MySQL,PostgreSQL
Software Development:OOPS, Debugging
Operating System: MacOS, Windows
Core Subjects: DBMS,Data structure and Algorithms
Soft Skills: Leadership,Creative Writing, Teamwork, Time Management,Proefficient Communication Skills

Positions of Responsibility

Team Leader,SIH (Smart India Hackathon) *Sept 2023 – Nov 2023*

- Led a 5-member team to develop a machine learning model for plant disease detection using image processing.
- Managed task allocation, deadlines, and presented a functional prototype to the jury within hackathon timeframe.

Participant,Manthan'23 COER University National Hackathon *Sept 2023*

- Built a Python-based app to provide fair fare rides for tourists, integrating booking and location tracking features.
- Presented solution to judges and received constructive feedback on usability and effectiveness.

Achievements

Postman API Fundamentals Student Expert Certificate, *November, 2024*

Algorithm Masters, IMS Engineering College, Ghaziabad,2nd Position Certificate *December, 2023*

Blind Coding, IMS Engineering College, Ghaziabad,2nd Position Certificate *May, 2023*

Training in Data Science with Python Certificate, *October, 2023*
