AMARJEET PAL

Aspirant Software Engineer

rd412782@gmail.com • https://www.linkedin.com/in/amarjeet-pal-391ab8264 • Ghaziabad 201013 Uttar Pradesh

Summary

I'm a B.Tech student with a good understanding of computer science and a strong interest in software development. I enjoy learning about new technologies and finding better ways to solve problems. I've done internships and worked on several web development projects, which have helped me improve my skills. I like working in teams and always try to learn from others. I'm focused on growing both personally and professionally and look forward to opportunities where I can contribute and keep learning.

Experience

S O INFOTECH (P) LTD
