Summary

Motivated IT student with a strong foundation in Java,DSA,web D.Passionate about solving real-world problems through technology and eager to apply my skills in software development and web technologies. Seeking an opportunity to contribute, learn, and grow in a dynamic and innovative environment.

Projects

Blinkit dashboard
Developed an interactive Power BI dashboard using Excel data to analyze sales KPIs, revenue trends, and customer insights.
Utilized Power Query for data cleaning and transformation, and implemented DAX measures for advanced calculations.
Created category-wise performance comparisons and KPI tracking to support data-driven decision-making.
Strengthened skills in data visualization, business intelligence, and storytelling with data.

Conference Website
Developed a dynamic and responsive website for the International Conference on AI, integrating schedule management, speaker profiles, and online registration.
Ensured seamless cross-device accessibility, supporting 500+ global attendees and improving user engagement.
Optimized website performance, reducing load time by 30
Strengthened expertise in frontend development, UI/UX design, and performance optimization.

Guesser Game
Developed a Java-based number guessing game for three players with randomized number generation and dynamic winner determination.
Implemented user input handling, conditional logic, and game flow control to ensure interactive gameplay.
Enhanced problem-solving, object-oriented programming, and coding skills through practical application.

Education

2022 - 2026	Bachelor's Degree at **GNIOT**	(GPA: 7.4/10.0)
2020	Class 12th BSEB	80
2018	Class 10th CBSE	84.2

Technical Skills

Programming	Java,Python,C++
Web Development	HTML,CSS.
Frameworks/IDE	Eclipse,Visual Studio,Pycharm ,Apache Netbeans ,Selenium
Data Visualization	Power BI , Excel
Database	MYSQL

Certification

Secured 2nd division in C certification program held by IIT Bombay.
Participated In Python Industrial Visit in CETPA INFOTECH pvt.ltd Noida
Secured 3rd rank in Code-O-Fista Hackathon2.0 at NCR level
Decode Java with DSA by Physics Wallah
