ABOUT ME

I am an e-commerce and brand management professional with experience across social media marketing, customer engagement, merchandising, logistics, Shopify management, and marketplace operations. I enjoy handling both the creative & operational sides of a business and thrive in fast-paced environments where I can solve problems, improve customer experience, and drive growth. Going forward, I see myself building & scaling strong digital-first brands in a leadership role.

EXPERIENCE

Social Media Manager
May 2024 – Present

Madan Jewellers India (Luxury jewellery brand) I Karol Bagh

- **Generated sales** through social media marketing and customer engagement.
- **Created & edited content** for social media platforms. Also, designed & managed the brand's Shopify website.
- **Coordinated photoshoots** and marketing events.
- **Assisted in diamond jewellery production**.
- **Independently developed the branding** for a sister brand specialising in low-budget diamond jewellery and lab-grown diamonds.

Sales Manager
2018 - 2023

Sanskriti India (Women's online fashion brand) I Noida

- **Managed end-to-end e-commerce operations**, including product listing & optimisation, order processing, shipping & returns, and after sales services.
- **Handled customer support & query resolution**, leveraging customer insights to drive upselling and increase overall sales.
- **Coordinated logistics operations**, including shipment management & returns.
- **Oversaw merchandising activities** by collaborating with fashion designing team and factories to ensure timely production & delivery.
- **Managed social media, digital marketing, and marketplace campaigns** to enhance brand visibility & sales performance.
- **Trained & mentored new staff**, including junior customer support & sales executive, and fashion designers.

Technical Support Associate
2017 - 2018

Convergys (BPO) I Gurugram

Assisted customers with technical issues concerning television & internet services.

Abstracting & Indexing Associate
2016 - 2017

IDS Infotech (KPO) I Noida

Prepared article summaries and researched targeted keywords for online search relevance.
