ABOUT ME

Data Analyst and Data Science enthusiast skilled in **Python**, **SQL**, and **data visualisation**, with basic knowledge of **ML** and **NLP**. Passionate about analyzing data and deriving actionable insights to support data-driven decisions.

EDUCATION

B.Tech in Computer Science , *CGPA-7.9(avg)* Sep 2022- Present
(IMS Engineering College, Ghaziabad)

Intermediate - 90.8% 2021-22
High School - 89.8% 2019-2020

SKILLS

Technical Language	Python, SQL, HTML, CSS
Data Analysis	(Pandas, NumPy, Matplotlib), Excel
Software Tools	Jupyter Notebook, VS Code, Powerpoint
Machine Learning	Scikit-Learn, NLP

INTERNSHIP

Software Development Intern– Pre-Placement Training July 2025 – Sep 2025
Skillrisers Infotech Pvt. Ltd. (Certificate) *On-site Campus*

- Completed structured training in Data Structures and Algorithms with focus on problem-solving skills.
- Developed a URL Shortener web application as a capstone project.

PROJECTS

Fake Review Detector [Python, NLP]

- Developed a machine learning model to detect **fake or spam reviews** from customer review datasets.
- Applied **Natural Language Processing (NLP)** techniques for text preprocessing, feature extraction, and sentiment analysis. Trained and evaluated ML models to classify reviews as **genuine or fake**.
- Improved reliability of online reviews by identifying misleading or fraudulent feedback. (Try it here)

Brain Tumor Detection using Image Processing — Python, Image Processing

- Developed a system to detect **brain tumors from MRI images** using image preprocessing techniques.
- Applied preprocessing methods such as **image enhancement, noise removal, and segmentation** to improve image quality.

ACHIEVEMENTS AND CERTIFICATIONS

Finalist in AKTU Creathon by India Expositition Mart Ltd.

Finalist among Top 50 Teams in AKTU Navonmesh AIdea Challenge .

Published a patent in first semester(2022) named as CBA-Crowdfunding and Blood Assurance.

Data Science Course Completion

EXTRA CURRICULARS

Successfully coordinated 4 major college fests, managing event execution and team collaboration.
