OBJECTIVE

Dedicated Computer Science Engineering student with a solid understanding of Java, DSA, OOP, and web technologies, along with practical experience in developing end-to-end projects. Aspiring Software Development Engineer eager to contribute to high-impact products while continuously learning and growing in a fast-paced engineering environment.

SKILLS

- **Programming Languages:** Java, Python(Basics)
- **Database Management:** MySQL, SQL
- **Core CS Concepts:** DSA, OOP, DBMS
- **Web Technologies:** HTML, CSS, JavaScript
- **Soft Skills:** Problem Solving, Logical Thinking, Time Management, Adaptability
- **Frontend Framework:** React (Basics)

PROJECTS

Online Book Store *Nov 2024 - Mar 2025*

- **Technologies: HTML, CSS, JavaScript**
- Developed a responsive e-commerce web application for online book browsing and purchasing.
- Implemented user authentication, product filtering, shopping cart, and checkout flow using JavaScript.
- Used localStorage to manage user sessions and cart state.
- Designed a mobile-friendly UI with responsive layouts and toast notifications.
- Analyzed user behavior such as product views and cart activity using stored data. Used structured data (products, users, orders) to understand trends and improve user flow.

Bank Management System *Dec 2025 - Jan 2026*

- **Technologies: Java, OOP**
- Built a console-based banking system using Core Java with account creation, deposit, withdrawal, and balance inquiry features.
- Applied OOP and encapsulation to ensure secure data handling and structured, maintainable code.

Birthday Story Surprise Website *Dec 2025 - Jan 2026*

- **Technologies: HTML, CSS, JavaScript, DOM Manipulation**
- Built an interactive multi-screen birthday surprise website using HTML, CSS, and JavaScript, featuring smooth transitions, animations, and story flow without page reloads.
- Implemented dynamic UI effects and custom CSS animations (fade-ins, reveals, hearts, overlays) to enhance user engagement.

EDUCATION

B.Tech in Computer Science and Engineering — Galgotias University *Oct 2022 - May 2026*
CGPA: 7.84 / 10

Intermediate (UPMSP) — Swami Vivekanand Inter College *2021*
Percentage: 72.8%

Matriculation (UPMSP) — Children Guide Higher Secondary School *2019*
Percentage: 77.83%

ACHIEVEMENTS

- Achieved a 50+ day coding streak on **LeetCode**, solving over 100+ algorithmic problems in Java, enhancing logic-building and problem-solving proficiency.
- Java Foundations Certification – Oracle Academy (Jan 2024).
- Java Full-Stack Developer Virtual Internship in AICTE (Oct-Dec 2024)
