PROFILE SUMMARY

Final year Computer Science undergraduate (Expected June 2026) with strong foundation in Java backend development. Hands-on experience building data-driven applications using Java, Python, and MySQL. Currently building REST APIs with Spring Boot to strengthen backend development skills. Passionate about writing efficient, scalable code and solving complex problems.

TECHNICAL SKILLS

Languages:	Java, Python
Backend:	Spring Boot (Learning), REST APIs, Hibernate/JPA (Learning)
Web:	HTML5, CSS3, JavaScript
Databases:	MySQL, SQL
Tools:	Git, GitHub, VS Code, Maven, Postman
Concepts:	Data Structures & Algorithms, OOPs, DBMS, Cyber Security Basics

PROJECTS

Sign Language to Text Translator | *Python, NumPy, OpenCV, TensorFlow*

- Built a real-time computer vision application translating sign language gestures into readable text.
- Achieved ~90%+ gesture recognition accuracy using a Deep Learning model with TensorFlow/Keras.
- Used OpenCV for efficient image processing and designed a user-friendly GUI for instant text display.

Gym Management System | *HTML, CSS, JavaScript, MySQL*

- Built a management portal to track member registrations, subscription plans, and fee payment status.
- Optimized relational database queries for faster retrieval of member details and attendance records.
- Implemented client-side JavaScript validation to ensure accurate data entry on member registration forms.

File Converter Web App | *Python, HTML, CSS, JavaScript*

- Developed a utility tool allowing users to upload and convert files between formats (e.g., Image to PDF).
- Connected Python backend with an HTML/CSS frontend supporting drag-and-drop file upload.
- Automated the file conversion pipeline, significantly reducing time needed for manual formatting.

EDUCATION

B.Tech in Computer Science | *IMS Engineering College, Ghaziabad* *2022 – Expected June 2026*
Aggregate: 74.20%

Class XII (CBSE) | *Govt. Sarvodaya Boys Sr. Sec. School* *2022*
75%

Class X (CBSE) | *New Sainik Public School* *2020*
72.3%

CERTIFICATIONS

- DSA Pre-Placement Training | Skillriser — 2025
- Certified in Cyber Security — 2023
