Career Objective

Final year B. Tech Computer Science student seeking a Software Development Engineer Intern opportunity. Strong interest in problem solving and web development fundamentals, with eagerness to learn scalable product development and contribute to real-world engineering solutions.

Education

Bachelor of Technology (B. Tech) – Computer Science
IMS Engineering College
Batch: 2022–2026

Technical Skills

Languages: JavaScript (Basic), Python (Basic)
Web: HTML, CSS, React (Fundamentals)
CS Fundamentals: DSA (Arrays, Strings, HashMap), OOP, DBMS, OS
Tools: Git, GitHub, SQL

Academic Project

Two Sign – Bi-Directional Assistive Communication System
Aug 2025 – Dec 2025

- Designed a conceptual assistive communication system for deaf/mute and hearing users
- Implemented gesture-to-text and speech-to-text interaction flow
- Researched machine learning and speech processing concepts
- Focused on accessibility and real-time communication design

Technologies: Python (basic), ML & Speech Processing concepts

Training & Certifications

DSA Pre-Placement Training – Skillrisers Infotech Pvt. Ltd.
July 2025 – September 2025
• Completed structured training covering problem solving, arrays, strings, and basic algorithmic concepts
