Shruti Saxena

9540830463 — shrutisaxenonnet@gmail.com — New Delhi, India — linkedin.com/in/shruti-saxena-01s003

OBJECTIVE

B.Com graduate with keen interest in Internal Audit, Accounting, and compliance processes. Seeking an Analyst role to apply analytical, documentation, and problem-solving skills in audit and internal control processes while continuing to learn and grow professionally.

EDUCATION

School of Open Learning, Delhi University — New Delhi, India
Bachelor of Commerce (B.Com) — 2022 – 2025
Senior Secondary (Class XII) – CBSE, Delhi — 2021 – 2022

PROJECTS & PRACTICAL EXPERIENCE

Internal Audit Research Project

- Mapped risk-based audit procedures and internal controls across 3+ business process domains, producing a structured risk-area summary.
- Documented end-to-end audit workflow covering evidence collection, compliance checks, and reporting standards.

PwC US Audit Virtual Experience (Forage)

- Executed control testing and process walkthroughs for a client's purchasing cycle, covering 4+ task areas across the audit lifecycle.
- Prepared flowcharts and a risk-control matrix; identified 3+ control gaps with recommended remediation steps to support management decision-making.

Enterprise Network Design (OSPF + BGP) — *Tools: Cisco Packet Tracer*

- Designed 2 simulated company networks with focus on data integrity and IT controls, enabling secure inter-company data sharing.
- Documented network configurations and monitoring controls to reduce data-related risk points, demonstrating analytical and problem-solving skills.

Business Pitch – Eco Purifier

- Pitched a product concept to a panel in a team setting, receiving positive feedback on clarity and structure.
- Coordinated team presentation materials, demonstrating planning, communication, and stakeholder management skills.
