PROFILE

Software Developer with hands-on experience in backend API development, authentication workflows, and full-stack web applications using Node.js, Express.js, React, MongoDB, and modern web technologies.

SKILLS

Languages: Java, Python, C

Frontend: HTML5, CSS3, JavaScript (ES6+), Tailwind CSS, React

Backend: Node.js, Express.js, REST APIs, JWT Authentication

Databases: MongoDB, PostgreSQL, MySQL

Tools: Git, GitHub, Postman

PROJECTS

AI Resume Analyzer Platform

Tech: MERN, Gemini API, JWT

- Developed an AI-powered resume analysis platform supporting secure authentication and resume evaluation workflows.
- Built 10+ REST APIs for authentication, resume analysis, interview generation, and dashboard management.
- Integrated Gemini API for ATS scoring, keyword analysis, personalized feedback, and AI-generated interview questions.
- Designed modular backend architecture using JWT authentication, validation middleware, and centralized error handling.

Job Portal Platform

Tech: MERN, JWT, Cloudinary

- Developed a recruitment platform supporting Candidate, Recruiter, and Admin workflows.
- Built 15+ REST APIs for job management, applications, recruiter operations, and profile management.
- Implemented JWT authentication and RBAC authorization for secure access control.
- Integrated resume uploads and cloud asset handling using Multer and Cloudinary.

EXPERIENCE

Web Developer Intern — ShapeMySkills by Ducat **Jul 2025 – Aug 2025**

- Built backend APIs and frontend modules for a role-based MERN web application.
- Worked on authentication flows, MongoDB schema operations, API testing, and data management.
- Improved application reliability through debugging, validation handling, and performance optimization.

EDUCATION

IMS Engineering College **2022 – 2026**
Bachelor of Technology in Computer Science Ghaziabad, India
CGPA: 7.01

CERTIFICATIONS

AI Fluency: Frameworks & Foundations — Anthropic
Certificate covering AI fundamentals, practical AI literacy, frameworks, and responsible use of modern AI systems.
