Rashi Sharma

+91 6395205183 | rashiiii247@gmail.com | LinkedIn Profile | Ghaziabad

Professional Summary

Computer Science student skilled in Python, SQL, and data visualization (Power BI, Tableau). Experienced in data preprocessing, feature engineering, and building ML-based analytical solutions. Passionate about applying AI and data analytics to real-world problem-solving.

Education

I.M.S Engineering College — Ghaziabad
B.Tech, Computer Science and Engineering- 8.31 CGPI — *2022 – 2026*

M.T.S Public School — Saharanpur
12th CBSE – 81% — *2020 – 2022*

Santosh International School — Bulandshahr
10th CBSE – 90.8% — *2018 - 2020*

Technical Skills

- **Languages:-** Python, SQL, HTML, CSS, JavaScript(Basic), Java(Basic)
- **Libraries & Frameworks:-** Pandas, Numpy, OpenCV, MediaPipe
- **Skills:-** Data Cleaning, Data Visualization, Dashboarding, Feature Engineering
- **Tools:-** PowerBI, Tableau, MS-Excel

Projects

AI Rep-Counter

- Built an AI-powered fitness tracker using MediaPipe, OpenCV, and Python to count bicep curls through pose estimation and joint angle analysis.
- Implemented data preprocessing and threshold tuning to improve detection accuracy and handle varied user movements.
- Designed real-time visual feedback for users, enabling hands-free motion control.

AI Based Traffic Management System

- Processed real-time traffic video data using computer vision to analyze congestion and optimize signal flow.
- Applied feature extraction techniques to generate insights for signal optimization.
- Developed Power BI dashboards to visualize traffic trends and support decision-making.

Work Experience

Front-End Developer Intern — Certificate
AO Software Solution — *July 2025– August 2025*

Achievements & Certifications

- **Data Visualisation:-** Empowering Business with Effective Insights – TATA & Forage (July 2025) – Certificate
- **Data Science using Python:-** Certified Training by Q Academy – Certificate

Leadership & Extracurriculars

- Led 20+ college events as Event Coordinator & Dance Club Head, boosting participation by 30%.
- State-level chess player, with inter-state podium finish and 2-time inter-college champion.
