Summary

Pursuing MCA with keen interest in Data Structures & Algorithms and full-stack development. Skilled in building scalable web applications using the MERN stack, with hands-on experience in developing AI-driven and finance management platforms. Interested in Software Development Engineer (SDE) and Frontend Developer roles, with a focus on creating efficient, user-centric, and high-performance applications.

Internship Experience

- **Project Title:** Linux Administration Tasks
- **Project Brief:** Worked on basic Linux operations, file handling, and system tasks
- **Objectives:**
  - Learned server management and troubleshooting
  - Used Shell scripting for simple automation
  - Worked on user management, file handling, and file permissions (modes)

Certifications

- Web Development (HTML, CSS, JS) — Coursera
- Cloud Computing — IBM
- MERN Full Stack Training (Ongoing) — Apna College
- Python (Ongoing) — Udemy

Projects

K.AII – *AI Career Mentor*

• Developed an AI-powered web application for ATS-friendly resumes, career insights, and mock interview preparation
• Implemented resume parsing and skill gap analysis using React.js, Node.js, Express.js, MongoDB, and Tailwind CSS

Wealth – *Expense & Budget Management System*

• Developed a web application for expense tracking, budget management, and financial insights
• Implemented income tracking and categorization using React.js, Node.js, Express.js, MongoDB, and Tailwind CSS

Education

Qualification	College/ University	Year	CGPA/ %
MCA (pursuing)	Raj Kumar Goel Institute of Technology	2026	72.8 %
BCA	GGSIPU, DELHI	2024	78.8 %

Skills

- **Languages**: C++, JavaScript, HTML, CSS.
- **Core Skills**: Data Structures & Algorithms, Object-Oriented Programming
- **Databases**: MongoDB, PostgreSQL, MySQL
- **CS Fundamentals**: OS, DBMS, CN, System Design Basics

Areas of interest

• Full-Stack Engineering, UI/UX Development
• Data Structures & Algorithms, Artificial Intelligence, AI Integration, API Development, Software Testing

Achievements & Awards

- Secured **1st Position in Web Designing** at *Tatva'25 College Fest (Intra-College)*, showcasing expertise in frontend development and UI/UX design
- Awarded **Best Design** at *Capital Quest*, organized by *Futurista Society*.
- Built **responsive and user-focused web interfaces** following modern design and usability standards
- Demonstrated strong **problem-solving and design thinking** in time-bound competitive scenarios
- Applied industry-relevant practices including **responsive design, layout optimization, and visual hierarchy**
