Education

B.Tech in Computer Science And Engineering (Data Science)
Raj Kumar Goel Institute of Technology, Ghaziabad 2022 – Present
CGPA: 8.22 / 10

CBSE
Class XII: 85.4% Class X: 81.8% 2022 / 2020

Technical Skills

Languages: C, C++, Python, JavaScript, SQL
Web: HTML, CSS, Bootstrap, Tailwind, React.js, Node.js, Express.js
Databases: MongoDB, MySQL
Core: Data Structures, OOP, DBMS, Operating Systems
Tools: Git, GitHub, VS Code, Vercel, Render

Experience

Mathematics Tutor (Freelance) 2023 – Present

- Teaching Mathematics to Class 9 and 10 students with focus on conceptual clarity
- Improved student performance and problem-solving ability through structured practice
- Mentored students for board exams, improving accuracy and confidence in problem solving

Web Developer Intern (Remote, Certification-Based)
Codec Technologies, India Aug 2025 – Oct 2025

- Developed and enhanced web applications using Node.js, improving functionality and user interaction
- Built responsive UI components and integrated REST APIs
- Collaborated using Git/GitHub and Agile development practices

Projects

Blood Link – Smart Blood Donation Platform

- Developed a platform to efficiently connect blood donors and recipients, reducing manual search effort
- Designed a smart matching system for compatible donor-recipient pairs
- Automated donor-recipient matching workflow to improve efficiency in urgent cases
- Collaborated in a team using full-stack technologies

Roomora – Travel Listing Platform

- Built a full-stack booking platform with authentication and reservations
- Integrated Google Maps API for location-based features
- Implemented JWT authentication and backend validation

Modern Portfolio Template

- Developed a customizable portfolio using Node.js, Express, and EJS
- Implemented backend handling for contact form submissions

Achievements & Certifications

- Qualified for Smart India Hackathon (SIH)
- Solved 200+ DSA problems (LeetCode, GFG)
- HackerRank 4-star in C++
- Mastering Data Structures and Algorithms using C/C++ – Udemy
- C++ Programming: From Basics to Beyond – Udemy | Python for Data Science – Coursera
