Ghaziabad, India

SUMMARY

I am a motivated Data Scientist with expertise in transforming complex data into actionable insights. Proficient in machine learning, statistical analysis, and data visualization, I leverage tools like Python and SQL to create data-driven solutions for tangible business challenges. My analytical mindset and technical skills enable me to contribute effectively in solving real-world problems

EXPERIENCE

Data Scientist Intern

CodeSoft

04/2024 - 05/2024 Ghaziabad, India

A technology company focusing on software development and data solutions

- Supported data integration, analysis, and visualization using modern tools
- Built clear dashboards and reports for better decision-making

Python Intern

CodeSoft

10/2024 - 10/2024 Ghaziabad, India

A technology company focusing on software development and data solutions

- Strengthened Python fundamentals and worked on multiple libraries
- Developed hands-on coding and problem-solving skills

EDUCATION

B.Tech (CSE)

Raj Kumar Goel Institute of Technology and Management

06/2022 - 06/2026 Ghaziabad, India

Class 12 (Science)

Alingua Public School, Kisola

01/2021 - 06/2022 Kisola, India

Class 10

Alingua Public School, Kisola

01/2019 - 06/2020 Kisola, India

CERTIFICATIONS

Coding Ninjas - NinjaSlayground 2.0

NinjaSlayground 2.0 21-day coding challenge

SKILLS

Python Gmail SQL Numpy MatplotLib Microsoft Power BI Deep Learning NLP Data Structures HTML CSS React GitHub

PROJECTS

Telco Customer Churn Analysis

01/2024 - 02/2024 Remote

Project focused on analyzing customer churn for a telecommunications company

- Analyzed customer demographics and behavior to identify churn patterns
- Created retention-focused insights using customer data

Email Spam Classifier

03/2024 - 04/2024 Remote

Developed a spam classifier using machine learning techniques

- Built an ML/NLP model to detect spam and fake emails
- Applied text preprocessing and classification techniques

Personal Portfolio Website

05/2024 - 06/2024 Remote

Designed and developed personal portfolio website showcasing projects

- Responsive portfolio built using HTML, CSS, and React
- Modern UI with dynamic sections and interactive features
