Buxar, Bihar

Summary

Motivated and detail-oriented BCA undergraduate with foundational knowledge of Python, C++, SQL, and database management. Familiar with programming concepts, problem-solving, and basic data analysis with a keen interest in learning new technologies. Possess strong communication, teamwork, and adaptability skills with the ability to work effectively in collaborative environments. Eager to apply technical knowledge, gain industry experience, and contribute to organizational growth while continuously enhancing professional and technical skills.

Education

Meerut Institute of Technology — Meerut, UP
Bachelor of Computer Applications (Final Year) — *2023 – 2026*

MV College (BSEB) — Buxar, Bihar
Intermediate (Class XII) – 84% — *2023*

Uttkarmit High school(BSEB) — Buxar, Bihar
Matriculation (Class X) – 80.2% — *2021*

Skills

Programming Languages: Python, C++
Python Libraries: Pandas, NumPy, Matplotlib, Seaborn
Database: SQL, MySQL
Technical Skills: Data Analysis, Data Visualization, Problem Solving, Database Management
Tools & Technologies: GitHub, MS Excel, VS Code
Soft Skills: Communication, Teamwork, Adaptability, Time Management

Projects

Hotel Booking Data Analysis | *Python, Pandas, NumPy, Matplotlib, Seaborn, SQL* — 2025

- Analyzed hotel booking data to identify customer behavior, booking trends, and cancellation patterns
- Performed data cleaning and preprocessing using Pandas and NumPy for accurate analysis
- Created visualizations using Matplotlib and Seaborn to present insights effectively
- Used SQL queries to extract and manage booking-related information from datasets

Student Management System | *Python, MySQL* — 2026

- Developed a basic student management system to store and manage student records efficiently
- Implemented CRUD operations for adding, updating, deleting, and viewing student information
- Integrated MySQL database for secure data storage and retrieval
- Improved problem-solving and database management skills through project development

Certifications

Python for Data Science and Data Analysis — 2025
Coursera / Udemy

SQL for Database Management — 2025
Coursera / HackerRank

Data Visualization using Matplotlib and Seaborn — 2025
Udemy / Great Learning

Git and GitHub Fundamentals — 2024
GitHub Learning Lab

Programming Fundamentals using C++ — 2024
Meerut institue of technology
