MD ASHRAF KHAN

Data Analyst | SQL • Power BI • Python • Excel

ashraf25705@gmail.com | linkedin.com/in/mdashrafkhan-analytics | github.com/ashraf25703 | India (Open to Remote)

PROFESSIONAL SUMMARY

Data Analyst fresher with hands-on expertise in SQL, Power BI, Python, and Excel, completing a Professional Certificate in AI & Data Science from upGrad. Skilled in EDA, data cleaning, dashboard creation, and translating data into business insights. Commerce background bridges business context with analytical solutions. Seeking entry-level Data / Business Analyst roles or internships in India.

TECHNICAL SKILLS

Languages & Querying: SQL (Intermediate–Advanced), Python (Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn)

Visualisation & BI: Power BI (DAX, Power Query, Interactive Dashboards), Microsoft Excel (Pivot Tables, VLOOKUP, Conditional Formatting, Charts)

Machine Learning: K-Means Clustering, Linear Regression, Classification basics

Analytics: Exploratory Data Analysis (EDA), Data Cleaning & Wrangling, Statistical Analysis, Business Reporting

Databases: Microsoft SQL Server, MySQL

Tools & Other: Jupyter Notebook, Google Colab, Digital Marketing Analytics

Soft Skills: Problem-solving, Analytical Thinking, Communication, Attention to Detail

PROJECTS

Sales Performance Dashboard | *Power BI | SQL | Excel*

- Built an interactive Power BI dashboard tracking KPIs (monthly revenue, regional sales, top products) across 10,000+ records; reduced manual reporting time by ~40% via optimised SQL queries.
- Incorporated DAX measures for YoY growth, rolling averages, and profit margin analysis.

Customer Segmentation Analysis | *Python | K-Means | Pandas | Matplotlib*

- Applied K-Means clustering on 5,000+ customers using RFM features to identify 4 behavioural segments; performed EDA with outlier detection, missing value treatment, and feature scaling.
- Visualised cluster profiles using Seaborn to guide targeted marketing campaign strategy.

EDUCATION

Professional Certificate — AI & Data Science | **upGrad.com** | Online — *Jun 2025 – Feb 2026*

- Python, SQL, Machine Learning, Power BI, Statistics, Data Storytelling — with end-to-end capstone projects.

Bachelor of Commerce (B.Com) | **Shibli National College, Azamgarh** | UP — *Sep 2023 – Sep 2025*

CERTIFICATIONS & ACHIEVEMENTS

- SQL Basic, Intermediate & Advanced | HackerRank
- Digital Marketing Certification | upGrad
- Certificate of Recognition | Snapdeal × upGrad Mentorship
- Professional Certificate in AI & Data Science

ACHIEVEMENTS & HIGHLIGHTS

- Earned 3 SQL certifications (Basic → Intermediate → Advanced) on HackerRank, demonstrating progressive mastery of relational databases and complex query optimisation.
- Recognised by Snapdeal × upGrad Mentorship programme out of a competitive cohort for analytics project quality.
- Self-directed learner who built a hands-on analytics portfolio covering SQL, Python, Power BI, and ML — entirely project-driven.
- Commerce background provides an edge in translating analytical output into business language — a critical skill valued by hiring managers.

Open to full-time roles, internships, and freelance analytics projects across India & remote
