Himanshu Chaudhary

Operations & Logistics Professional

Meerut, Uttar Pradesh, IN | +91 8868900770 | Himanshu2652@gmail.com | linkedin.com/in/himanshu-chaudhary2652 | Available for International Opportunities | Open to Relocation

Summary

Business Administration graduate with international education and hands-on experience supporting operations, logistics, and administrative functions in fast-paced environments. Skilled in coordinating workflows, maintaining documentation, managing records, communicating with internal and external stakeholders, and ensuring smooth day-to-day business operations.

A proactive and adaptable professional with strong organizational abilities, attention to detail, and a commitment to delivering high-quality results. Proficient in Microsoft Office and digital business systems, with the ability to work effectively both independently and as part of a team.

Currently seeking opportunities in administration, office management, operations, logistics, customer service, or business support where I can contribute my international experience, continue developing professionally, and add long-term value to the organization.

Work experience

Canadian National Railway — Aug 2022 - Feb 2024

Transportation Supervisor/Operations Supervisor

- Supervised daily transportation and logistics operations, coordinating workforce activities and operational workflows to support efficient freight movement.
- Managed employee scheduling, shift planning, and resource allocation while ensuring compliance with company policies and workplace safety standards.
- Coordinated terminal operations and collaborated with multiple departments to maintain operational continuity and achieve performance objectives.
- Monitored operational processes, tracked workflow progress, and supported the timely movement of goods and materials.
- Prepared operational reports, maintained accurate documentation, and monitored key performance indicators to support planning and decision-making.
- Assisted with incident response, problem resolution, and the implementation of corrective actions to minimize operational disruptions.
- Contributed to continuous improvement initiatives focused on operational efficiency, process optimization, and service reliability.
- Built extensive experience working in a structured, safety-focused, and high-volume logistics environment requiring accuracy, teamwork, accountability, and effective communication.

MWS Care Services, Toronto, CA — Sept 2020 - Jan 2022

Area Delivery Manager

- Coordinated day-to-day delivery operations across multiple service locations, ensuring efficient scheduling, route planning, and resource allocation.
- Supervised daily operational activities and supported workforce coordination to maintain service quality and operational continuity.
- Managed workflow planning and monitored service performance to ensure timely execution of deliveries and customer commitments.
- Prepared and maintained operational reports, documentation, and performance records to support business operations and management decisions.
- Collaborated with cross-functional teams to resolve operational issues, improve communication, and optimize daily processes.
- Supported process improvement initiatives by identifying workflow challenges and implementing practical operational solutions.
- Ensured compliance with company procedures, safety guidelines, and quality standards while maintaining accurate operational records.
- Developed strong skills in logistics coordination, team supervision, problem solving, and stakeholder communication within a fast-paced environment.
