- Focus on continual improvement.
- Check availability of OK and NG samples at AOI stage
- Making communication with customer regarding solving their problem generated during our process.
- Ensure Quality of Electronic Assembly, PCB assembly through surface mounting technology (SMT).

- Maintaining Quality standards of products as per customer's specification.
- Responsible for perform **FAI** with help of LCR meter.
- Responsible for making and ensuring profiles of SMT reflow oven (Tamura and Heller) with KIC profile system.
- Knowledge of overall SMD components.

EDUCATIONAL CRENDENTIAL:

- Diploma in (Electrical Eng.): Govt. Polytechnic Narendra nagar, Tehri Garhwal (UK) with 86.5% marks in 2021.
- 12th: SVMIC Devprayag Tehri Garhwal (UK) With 75.4 % marks in 2018
- 10th: SVMIC Devprayag Tehri Garhwal (UK) With 83 % marks in 2016.

TECHNICAL SKILLS.

- Application Packages: MS Office, Power Point, (World, Excel)
- Hands-on experience with testing instruments including **LCR Meter, Multimeter, Vernier Calliper, Thermometer, UV energy meter** and **Peel strength tester** etc.
- **7 QC Tools** and various Troubleshooting Analysis.

PERSONAL STRENGTHS:

- Leadership Quality.
- Problem Solving and Deep Analysis Skills.
- Exploring new Destinations

PERSONAL INFORMATION:

Father Name:	Sh. Deewan Singh
Date of Birth:	31 Jul,2000
Address:	Vill:- Pali(Jakhed), Post:-Mahad, Devprayag Tehri garhwal UK.
Nationality:	Indian
Marital Status:	Unmarried
Languages Known:	English, Hindi, Garhwali

Declaration

I hereby declare that the above written particulars are true to best of my knowledge and belief.
