KASHIKA ANAND

Delhi, India | +91 7011741714 | ikashikaanand@gmail.com | linkedin.com/in/kashika-anand-2ab549307

PROFESSIONAL SUMMARY

Detail-oriented Data Analyst and 2025 Computer Science graduate with hands-on experience in data preprocessing, SQL-based data validation, and dashboarding using Excel and Power BI. Proven track record of stakeholder outreach, cross-functional coordination, and translating technical concepts into clear, audience-appropriate insights. Strong foundation in data analysis, analytical thinking, and multitasking across concurrent projects. Passionate about using data to drive clear, actionable decisions.

TECHNICAL SKILLS

Data Analysis Tools: MS Excel, PowerPoint, Power BI

Programming & Querying: Python (Basic), SQL (Basic)

Core Competencies: Data Analysis, Data Cleaning & Validation, Data-Driven Reporting

Languages: English (fluent, professional communication), Hindi (fluent, client interaction)

PROJECTS

Face Recognition Attendance Management System | *Team of 4* | *Aug 2024 – Dec 2024*

- Researched, developed, and tested a face recognition-based attendance system using Python and OpenCV.
- Ensured data integrity through SQL-based data storage and validation, applying an analytical, detail-oriented approach.
- Collaborated within a 4-member team following Agile methodology and SDLC practices, coordinating with peers to meet deadlines.

RELEVANT EXPERIENCE

Design & Technology Head | *Encrypt – Tech Society, College of Vocational Studies* | *Oct 2023 – Aug 2024*

- **Stakeholder outreach & recruitment:** Identified, approached, and onboarded students and technical speakers for workshops and events, effectively communicating the society's mission and value proposition.
- Led and mentored a 10-member team, coordinating priorities, delegating tasks, and ensuring timely delivery across multiple concurrent projects in a fast-paced environment.
- Conducted hands-on workshops on data visualization and analytics tools, translating technical concepts into clear, audience-appropriate explanations.
- Designed and executed data-driven promotional campaigns, leveraging communication channels and audience lists to drive a 40% increase in event engagement.

Private Tutor | *Self-Employed* | *2023 – Present*

- Build and manage relationships with 3–4 students and their parents simultaneously, establishing trust and maintaining consistent, professional communication.
- Break down complex concepts into clear, relatable explanations tailored to each learner — reflecting strong oral and written communication skills across audiences.
- Independently manage scheduling and multiple relationships with reliability and attention to detail.

EDUCATION

B.Sc. (Hons.) Computer Science, Minor: Mathematics | *College of Vocational Studies, University of Delhi* | *2025*
CGPA: 8.15 / 10.00

Class XII, CBSE | *Sai Memorial Girls School, Delhi* | *2022*
91.6%

Class X, CBSE | *Sai Memorial Girls School, Delhi* | *2020*
87.8%

KEY STRENGTHS

Data Analysis & Reporting • Primary Research & Outreach • Relationship Building • Stakeholder Communication • Recruitment & Networking • Team Leadership • Analytical Thinking • Multitasking & Prioritization • Adaptability
