PROFESSIONAL SUMMARY

Results-driven International Business professional with an MBA in International Business from GJUST Hisar and hands-on experience as an Export Quality Analyst at IndiaMart. Skilled in evaluating export supplier catalogues, ensuring quality product listings, coordinating between buyers and suppliers, and managing end-to-end export documentation. Well-versed in DGFT regulations, ICEGATE portal, Incoterms, and international trade compliance. Combines strong theoretical knowledge of global trade with practical B2B export platform experience.

WORK EXPERIENCE

Export Quality Analyst | IndiaMart Intermesh Ltd. Jun 2023 – April 2026

- Evaluated and ensured qualityof export suppliercataloguesonthe IndiaMart platform to attract international buyers and improve product visibility.
- Reviewed and optimised product listings in alignment with platform package requirements, maximising supplier business potential.
- Acted as a mediator between buyers and suppliers, facilitating smooth communication and deal negotiations on the B2B platform.
- Prepared and managed critical export documentation including Purchase Orders (PO), Commercial Invoices, Certificates of Origin (COO), Letters of Credit (LC), and Air Waybills (AWB).
- Ensured accuracy and compliance of all export documents with international trade standards, Incoterms, and customs requirements.
- Utilised ICEGATE and DGFT portals for export-related regulatory processes and compliance management.
- Guided export suppliers on best practices to enhance catalogue quality and increase chances of securing business through IndiaMart.
