# RAMSACHIN S

**Data Analyst | Data Scientist | SQL | Python | Power BI | Machine Learning**

Dindigul | 9345703784 | ramsachin0010@gmail.com | https://www.linkedin.com/in/ramsachin/ |

Portfolio https://tinyurl.com/5dfd9vwd

## PROFESSIONAL SUMMARY

Biomedical Engineering student with hands-on experience in Data Analysis, Data Cleaning, Statistical Analysis, SQL, Python, Power BI, Machine Learning, ETL Processes, Data Visualization, Predictive Analytics, and Business Intelligence. Built end-to-end analytics projects involving EDA, dashboard development, and predictive modeling to solve real-world business problems.

## SKILLS

### TECHNICAL SKILLS

- **Programming:** Python, SQL, Java
- **Databases:** MySQL, SQL, Complex Joins, CTEs, Window Functions, Stored Procedures, SQL Optimization, Data Extraction
- **Data Analysis:** Pandas, NumPy, Data Cleaning, Data Wrangling, Data Mining, Data Preprocessing, Exploratory Data Analysis (EDA), Statistical Analysis, Data Modeling, Feature Engineering, Data Validation
- **Data Visualization:** Power BI, Tableau, Matplotlib, Dashboard Development, Data Storytelling
- **Machine Learning:** Regression, Classification, Model Evaluation, Scikit-learn, TensorFlow, Predictive Analytics, A/B Testing
- **Artificial Intelligence:** Generative AI, Prompt Engineering, Deep Learning, Neural Networks, Computer Vision
- **AI Tools:** ChatGPT, Claude AI, Gemini
- **Statistics:** Descriptive Statistics, Probability, Hypothesis Testing, Statistical Analysis
- **Business Intelligence:** Business Analytics, KPI Reporting, Data Interpretation, Data-Driven Decision Making, ETL Processes, Data Warehousing
- **Tools & Platforms:** Excel, Git, GitHub, Jupyter Notebook, VS Code, Google Cloud Platform (GCP)

### SOFT SKILLS

- **Communication:** Presentation, Public Speaking, Documentation
- **Problem Solving:** Critical Thinking, Analytical Thinking, Decision Making, Attention to Detail
- **Leadership & Teamwork:** Leadership, Team Management, Collaboration, Coordination
- **Professional Skills:** Adaptability, Time Management, Continuous Learning
- **Business Skills:** Strategic Thinking, Stakeholder Communication, Customer Understanding

## INTERNSHIPS & PROJECTS

### INTERNSHIPS

- **Data Analytics Virtual Intern | Deloitte | May 2026** – Cleaned and analyzed 5,000+ records using SQL and Excel for business reporting.
- **Research Intern | NIT Tiruchirappalli | Jun 2025 – July 2025** – Developed Python scripts reducing manual analysis time by 40%
- **Marketing Analytics Intern | Beta Digital Marketing | Dec 2025 – Jan 2026** – Analyzed customer campaign performance across 10+ campaigns.
- **Software Development Intern | Sun Software Solutions | Jul 2024 – Aug 2024** – Programming, Database Management, Debugging.
- **Biomedical Engineering Intern | Madurai Meenakshi Mission Hospital | May 2024 –** Biomedical Equipment, Healthcare Operations.

### PROJECTS

- **Petrol Delivery App | 2024** – Developed an SQL-based fuel delivery application with GPS tracking and efficient database management.
- **Plant Disease Detection | 2025** – Built a CNN model using image preprocessing and predictive analytics for automated plant disease classification.
- **Pesticide Sprinkling System | 2025** – Designed an IoT-based automated system integrating sensors and real-time monitoring to reduce pesticide wastage.
- **HR Attrition Analytics | 2025** – Analyzed employee data using Python, Pandas, visualization, and statistical techniques to identify attrition patterns.
- **Industrial Automation Robot | 2026 (Present)** – Developing an intelligent automation system integrating embedded systems, sensors, and real-time data analysis.

## EDUCATION

**B.E. Biomedical Engineering [CGPA : 8.0]**
SNS College of Technology, Coimbatore | 2023 – 2027

**Higher Secondary Certificate (HSC)**
Ramsun's Matriculation Higher Secondary School,Natham | 2021 – 2023

**Secondary School Leaving Certificate (SSLC)**
Ramsun's Matriculation Higher Secondary School,Natham | 2019 – 2020

## CERTIFICATIONS & ACHIEVEMENTS

### CERTIFICATIONS

- IBM – Data Visualization Using Python , Lifelong Professional Skills, Project Management Fundamentals (2026)
- IBM – Data Literacy , AI Fundamentals: Foundations for Understanding (2026)
- Cisco Networking Academy – Data Analytics Essentials (2026)
- Simplilearn – Introduction to Data Science (2026)
- Google Cloud – Trust and Security with Google Cloud (2026)
- Anthropic – Claude 101 (2026)
- NPTEL – Fundamentals of Digital Marketing (Elite, 85%) (2026)

### ACHIEVEMENTS

- 3rd Prize – International Business Ideathon (2023)
- 4th Place – Hack-Cure Hackathon, VIT Chennai (2025)
- 3rd Place – Igninium Innovation Challenge (2026)
- Participated in 10+ National-Level Hackathons
- NPTEL Certified in Learning Analytics Tools (2025)
