EXPERIENCE

CUSTOMER SERVICE ANALYST (PMO), 08/2017 - 08/2026
Accenture Solution Pvt. Ltd., Gurugram, India

- Managed end-to-end **project lifecycle operations** using SAP Fieldglass and SmartTrack, ensuring accurate project and worker administration.
- Verified **Order Forms and Purchase Orders** across Buying Hub and Salesforce, maintaining process accuracy and compliance.
- Managed **ticketing and incident resolution**, coordinating with stakeholders and Vendor POCs to drive timely closure.
- Executed **worker onboarding, offboarding, access, asset, and profile management**, ensuring smooth project transitions.
- Developed **MIS reports and operational insights**, highlighting trends, recurring issues, and improvement opportunities to stakeholders.
- Coordinated cross-functional teams to resolve ongoing operational issues, improve turnaround time, and maintain service delivery standards.
- Led a team of **30+ employees**, driving productivity, quality, coaching, mentoring, grooming, auditing, and performance improvement.
- Delivered **virtual and process training**, supporting employee onboarding, knowledge enhancement, and consistent process adherence.
- Handled **transaction disputes, chargebacks, fraud investigations, grievances, escalations, and application support** with strong attention to resolution and customer experience.

CUSTOMER RETENTION ASSOCIATE II, 08/2013 - 07/2017
Convergys India Pvt. Ltd. (Concentrix), Gurugram, India

- Managed **customer retention and churn prevention**, addressing cancellation requests and delivering tailored retention solutions.
- Identified customer needs and dissatisfaction drivers to improve **customer experience and retention outcomes**.
- Increased revenue opportunities through **upselling and cross-selling** relevant products, plans, and services.
- Resolved **billing, payment, account, and invoice-related issues** with accuracy and timely follow-up.
- Delivered first-level **technical troubleshooting** for internet, cable, connectivity, and equipment-related issues.
- Investigated customer concerns through effective **probing, diagnosis, and problem-solving** to achieve timely resolution.
- Managed complex **grievances and escalations**, coordinating with specialized teams for effective issue closure.
- Maintained strong performance against **CSAT, FCR, Retention, Sales, Quality, AHT, and SLA** targets.

- Analyzed recurring customer and service issues to identify **root causes and process improvement opportunities**.
- Maintained accurate case documentation while ensuring **quality, compliance, service standards, and customer-centric resolution**.

CUSTOMER SERVICE REPRESENTATIVE, 05/2011 - 12/2011
Magus Customer Dialog, New Delhi, India

- Managed **business customer accounts and advertising requirements**, ensuring accurate and timely listing across Yellow Pages and digital platforms.
- Improved **data accuracy and listing quality** by verifying business details, contact information, categories, services, and promotional content.
- Coordinated end-to-end **advertisement creation, modification, publishing, renewal, and updates** based on customer requirements.
- Ensured advertisements met **quality standards, publishing guidelines, and SLA timelines** through systematic validation and quality checks.
- Resolved customer queries, complaints, and escalations related to **advertising packages, listings, account information, and publishing status**.
- Partnered with **Sales, Operations, and Technical teams** to resolve service issues and ensure smooth advertisement delivery.
- Identified **upselling and cross-selling opportunities** for advertising packages and promotional services based on customer needs.
- Maintained accurate **CRM/customer records and service documentation**, ensuring complete tracking of requests and resolutions.
- Managed multiple customer requests while maintaining **productivity, quality, SLA, and customer satisfaction targets**.
- Strengthened **customer retention and service experience** through proactive follow-ups, effective issue resolution, and responsive customer support.
